

Pray for the Nations

APRIL 2021

Weekly Prayer Calendar

Week 2

Indonesia

Pray for the provinces in Indonesia and East Timor affected by Cyclone Seroja. The death toll has reached as many as 157 and thousands have been displaced. They are living in fear now because the weather is still unstable with so much rain and strong winds. Pray for provision and protection, as well as for our faith family there to show Christ's love to those in need.

Pray also for the people of North Sumatra (Indonesia) affected by the recent volcanic activity of Mt. Sinabung. Pray that the volcano will just become dormant so people can live there in peace.

Lastly, please pray for all our MC² (Go Viral) trainees in Indonesia. Pray for perseverance and protection, as well as for each participant's relationship with God to grow deeper.

CCF Kuwait

Three of our leaders in CCF Kuwait got into a car accident after they drove some of the church members to their homes as part of the Transport Ministry. Bro Glenn got out of the ICU already but his son Uzziel is still in ICU waiting for CT Scan result. While Bro Arnel Gutierrez went to be with the Lord. Pray for Brother Glenn and Uzziel that they will pass the critical stage. Please pray for the wife, Leida, and kid of Brother Arnel for peace and restedness in Jesus during these trying times.

CCF CCF Tourist Club Abu Dhabi, UAE

Pray that CCF Abu Dhabi will have more Christlike workers in the ministry of discipleship. May fathers and husbands step up in discipling their families intentionally. Pray also for the Go Viral relaunch set for the month of April.

CCF Sydney North, Australia

Give thanks to the Lord that CCF Sydney North will be physically gathering once again for Sunday Worship! May the event be safe, meaningful and Christ focused. Pray that the Lord will guide and protect the administrators and volunteers as they prepare to go back to physical services. May God give them discernment about plans to move the services to multiple locations that may mean a smaller congregation but also a wider reach.

CCF Australia Missions

As CCF Australia members pursue Pray-Care-Share and intentional discipleship with their families, neighbors and communities, pray that the church will continue to grow across the country. Pray also for the success of the Facilitation Training and that the Lord will bless the development of new Discipleship groups. For the CCF church planting in Adelaide, Brisbane, Canberra, Darwin, Sunshine Coast, and Perth, pray that God will provide for all their needs as they continue to rent strategic facilities that are mainly for big Dgroup gatherings and occasional Sunday worship services.

Japan

For the leader in Japan, pray that the Lord will equip him mightily as he leads 60 missionaries in that country. It has been 2 years since they have gathered so we ask the good Lord to refresh and refocus each member at their planned meeting during the retreat this April. Also, pray for the success of the training and meeting with 50 Gospel Choir Leaders as they prepare for the events this spring. May each choir be effective during the evangelistic and disciple-making events they will be taking part in.
