NATIONS

WEEK 4

PRAY FOR CCF Rome

Europe - Italy

Pray that Almighty God, shaper of all creatures, mold CCF Rome's servant leaders into becoming Christ followers who consistently invest great love and service to edify the church and become an effective salt and light to Filipinos, Italians, and other nationals in Rome.

Pray for the current plans of CCF Rome and their regular engagements such as their Dawn Watch Prayer Intercede every Monday at 5 a.m., Saturday Intercede at 8:30 p.m., and online worship service. Thank God for the servant leaders actively building up the church to glorify Jesus.

Pray that they will also be able to make the most of the testimonies of healing they have been receiving recently and reach more people with these powerful stories about God's true and unmatched healing power.

PRAY FOR CCF Seattle

North America – USA

Give thanks to the Lord for He has thwarted the increase of COVID-19 cases and deaths in Seattle. Vaccines have been made available by the Lord to the most vulnerable and He has sustained frontliners. Pray that as restrictions are lifted in Washington State, church leaders may be sensitive to the leading of the Lord in finding a facility available 24/7 for in-person events such as trainings, DGroup meetings, and other relevant activities.

Pray that each member may reach out to the lost using online platforms and tools God has made available. Pray for God's direction for Go Viral Phase 2, Relaunch of Go Viral Phase 1, GLC classes, and bridging events for the rest of the year so these engagements may glorify Jesus Christ not just in the church but also in the eyes of those in the circles of influence of church members.

PRAY FOR CCF Kuwait

Middle East

Pray that the Lord will be magnified in their lives in pursuing His kingdom as they boldly share the gospel and bear witness to His righteousness. They have mini-events lined up in the coming weeks, and invited participants will be limited to 20 persons due to the ongoing pandemic.

Pray for the Holy Spirit to move mightily for everyone to have a blessed time. Pray also for provision for a bigger venue and more house churches/satellites to be planted all over Kuwait.

PRAY FOR CCF Prince Albert North America – Canada

Pray for Emily, wife of Butch Juson (overseer of CCF Prince Albert), as she takes her oral drug maintenance after her chemotherapy sessions. She is experiencing different side effects from the medicine. Pray that her body will overcome those side effects. By God's grace, she is still regularly meeting her small group. May God's healing, renewal, protection, and provision be upon Emily and the whole family.

PRAY FOR South Asia

Please pray for one of our coaches in South Asia who is in serious condition in the hospital with diabetes and other organ failures. He has been one of our most committed and fruitful disciplers. Please pray for complete and miraculous healing as a testimony to God's power to those in the community he is reaching out to.

Pray also for the coming South Asia leadership conference in March. It will be held at over 30 different locations linked by Zoom with over 1000 participants. Pray for God to encourage them, inspire them to continue to reach out, and draw them closer to Himself as they serve Him. Pray for the organizers to be able to navigate the complex logistics, and for the speakers to deliver God's message to those who attend.
