

# Pray for the International Missionary Partners

May Prayer Calendar  
**WEEK 1**

# **PRAY FOR SOUTH ASIA**

---

Covid cases in South Asia are skyrocketing. Hospitals are overflowing, and medicine and oxygen supplies are exhausted. The brother-in-law of our key partner succumbed to Covid last week, and many family members have been exposed.

Pray that all our leaders and those they minister to would be protected from Covid, and that they would continue to minister to those in need through this challenging time.

# PRAY FOR CCF KUWAIT

One of our leaders in CCF Qatar, Jeff Baylon, went to be with our Lord Jesus. He was positive with COVID-19. He had to be brought to the ICU and be intubated, but he did not make it.

Pray for his family, his wife, and his three girls. May they receive God's comfort and peace during this time of mourning. Pray also for the faith family in CCF Qatar to gather around them and support them in their grief.

# PRAY FOR INDONESIA

---

HOLY  
BIBLE

Pray for their upcoming MC<sup>2</sup> Phase 1 training in Pekanbaru. By God's grace, they were able to form a team who will implement and train the new batch. These trainers were mentored by Paolo Zagala and Kyle Barrington, our Missionary Partner Coordinators. They will be present during the training via Zoom, but only to observe and assist.

Pray for amazing fruit as they apply what they learn to reach out to our "cousins" in a hostile area. Pray that the leaders will work with humility and Christlikeness, that they'd be united because of Jesus. Pray for protection upon the facilitators and participants from lust of the flesh, lust of the eyes, and pride of life. Pray for men of peace to be prepared by God.

# PRAY FOR VIETNAM

---

Pray for the CCF Vietnam team who will be visiting and coaching the forty leaders and believers who attended Phase 1 of the MC<sup>2</sup> training held last year in Highland Central. Pray that a schedule can be set for Phase 2 of the training as well.

Pray for the leaders who attended Phase 2 of the MC<sup>2</sup> training held recently in the Quang Ngai area of Vietnam, to bear much fruit.

# PRAY FOR EAST ASIA

Give praise to God for providing new City coaches to complete the five City teams of East Asia, despite the persecution by the police, the closure of the church, and the COVID-19 pandemic affecting the living condition of one of the coaches.

Pray for East Asia's five City team coaches and City team leaders as they invite non-Christian business leaders and professionals to join their small groups for leadership development training and lead them to Christ in the process. Pray for the upcoming 12-month Leadership Development training program starting soon, to see intentional evangelism and discipleship.

# **PRAY FOR BANGLADESH**

Pray for the upcoming virtual evangelism and discipleship training that will be conducted by our missionary partner in Bangladesh.

Pray for the COVID-19 situation in Bangladesh that is affecting the way of life, livelihood, and health of the community. Pray for those who are affected, especially those who are dying
