WEEK 2

PRAY FOR SKYPLESHIP

Pray for the upcoming Leaders Gathering for Skypleship, for the wisdom and effectivity of our Beyond Pastors and Staff's preparation.

Pray for smooth technical support and connection during the event. Pray that all the Skypleship leaders will have a focused mind, humble spirit, and a prayerful attitude.

PRAY FOR JAPAN

Pray for the hundreds of gospel choir members being led by our CCF Missions partner, Ken Taylor. Many choir members are not yet believers, others are new in their faith. Pray that they experience the peace of God in the midst of the COVID-10 pandemic.

Pray for the areas of Japan that are undergoing their third state of emergency, scheduled to end soon, with a possibility of extension. Pray that Ken and his team can continue to minister to the gospel choir members through Zoom, and eventually through face to face gatherings.

PRAY FOR CCF VANCOUVER CANADA

Pray for the members of CCF Vancouver who are experiencing mental challenges, to know the truth of God's Word; to be set free from the deception of the enemy; to have the humility to seek professional help from Christian counselors; and to be granted provision to cover the services that they need.

Pray for the upcoming small group discipleship, family discipleship, and couples' discipleship training programs of CCF Vancouver. Pray also that they are able to find a bigger venue for worship services when the restrictions of the pandemic are lifted, possibly in September or October.

PRAY FOR CCF HAMBURG

GERMANY

Pray for CCF Hamburg's Go Viral Phase 1 program launch in the German language. Pray for the event to have registrants and participants so that the Lord may have a harvest in the area.

Pray that CCF Hamburg is able to achieve its vision for its Go Viral program to see a movement of Christ-committed followers in every German-speaking community, as well as its mission to honor God and share the gospel by creating groups of Christ-committed followers that multiply up to four generations.

PRAY FOR SOUTH SUDAN

Pray for our missionary partner Ibrahim who will be in South Sudan to oversee our MC² training initiatives and meet with our coaches and leaders there for the next few weeks.

Pray for safety, good health, and traveling mercies as he goes to remote areas where there are numerous risks. Pray that he would be an encouragement to those we are training so that they would continue making disciples and multiplying home fellowships to reach many M_sl_m cousins in the Nuba Mountains and nearby refugee camps.

PRAY FOR SOUTH ASIA

Pray for our partners ministering in areas where the pandemic is spiking. Oxygen supplies and hospital beds are scarce or non-existent. People are literally dying in the streets due to lack of medical care. Pray that our partners and all those we are working with would be safe and would not contract Covid. Pray that they also find ways to show compassion and concern, and that people would be drawn to Christ as they see their lives shine for Him.
